The 1985-1986 Journalism Class Presents . . .

The theme of a YEARBOOK is the main idea or topic used to present our school in an exciting way. It plays a very important part in our school life, and the Journalism Class has been to great lengths to find a suitable theme. This year, we chose a popular song title that seems to fit the entire attitude of our school . . . "Lovin' Every Minute of It." It was a unanimous decision in our class and we hope that you like it as much as we do.

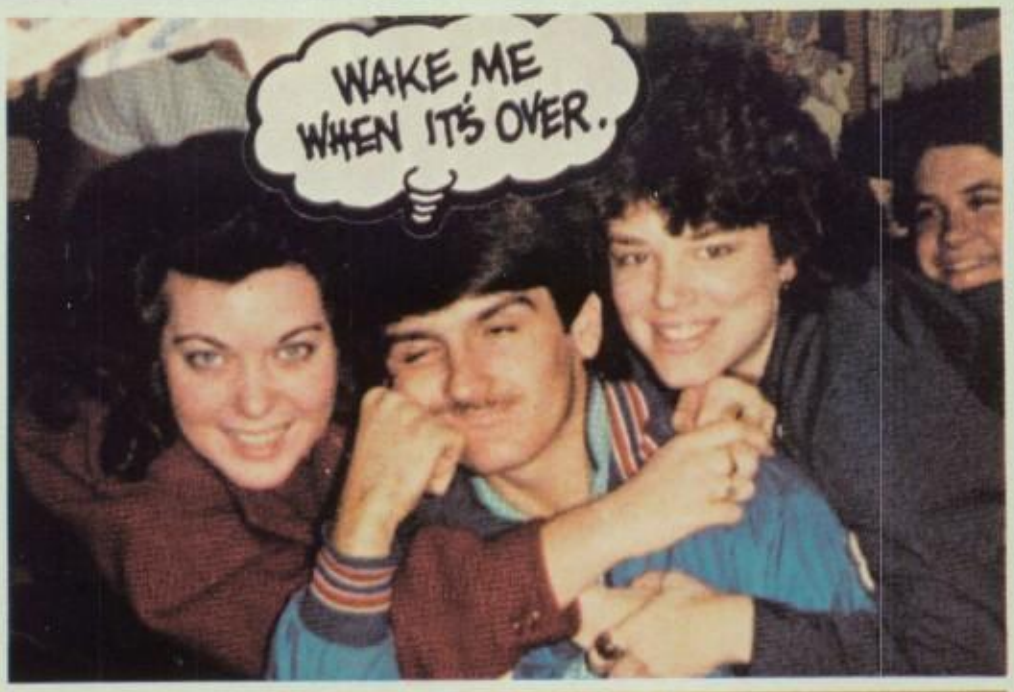
THE JOURNALISM CLASS

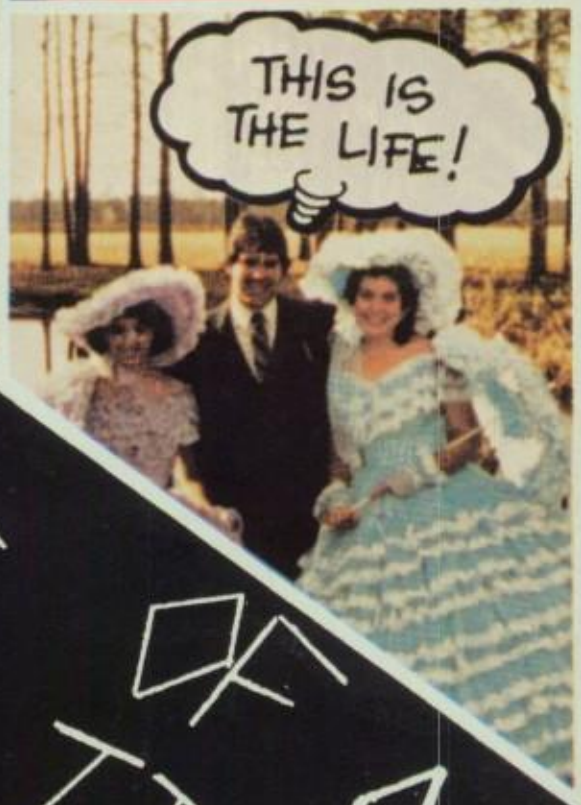
IN 1985-1986, ALBA HIGH SCHOOL WAS

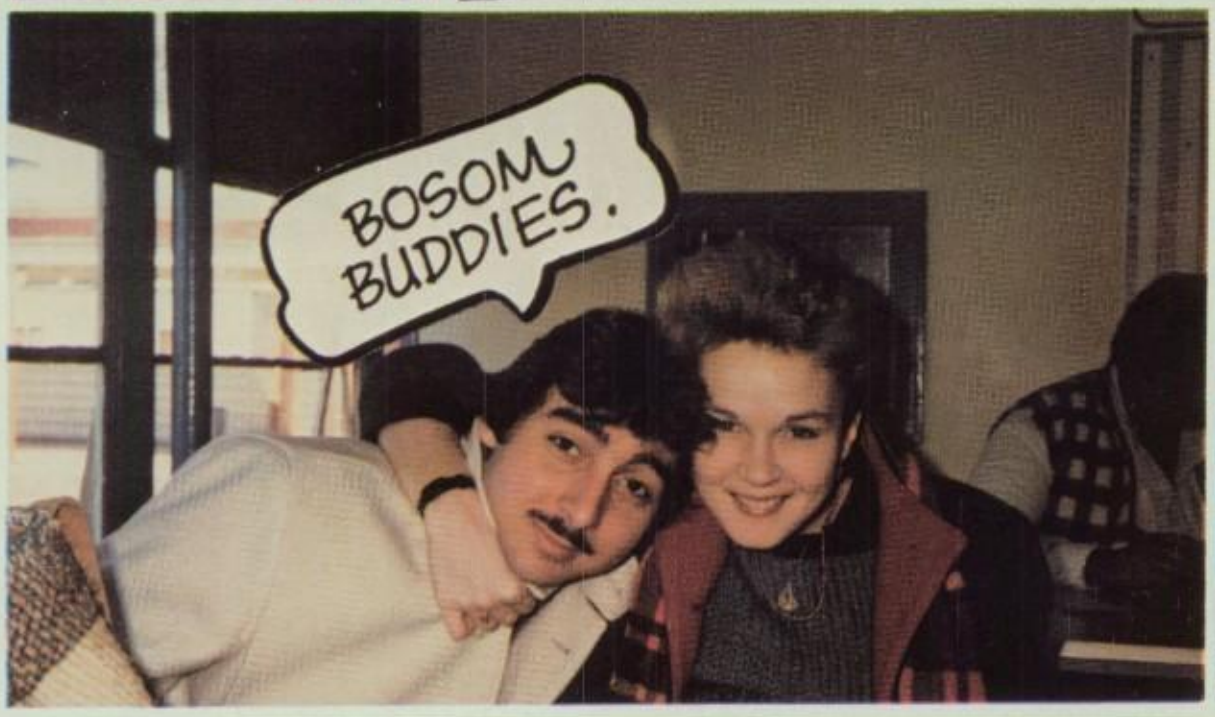
"LOVIN' EVERY MINUTE OF IT"

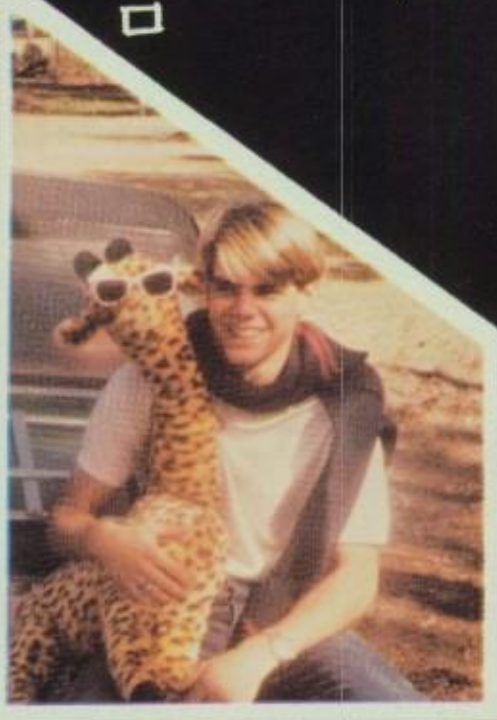
SENIORS

WE HAVE LOTS OF FUN
AND PULL LOTS OF TRICKS





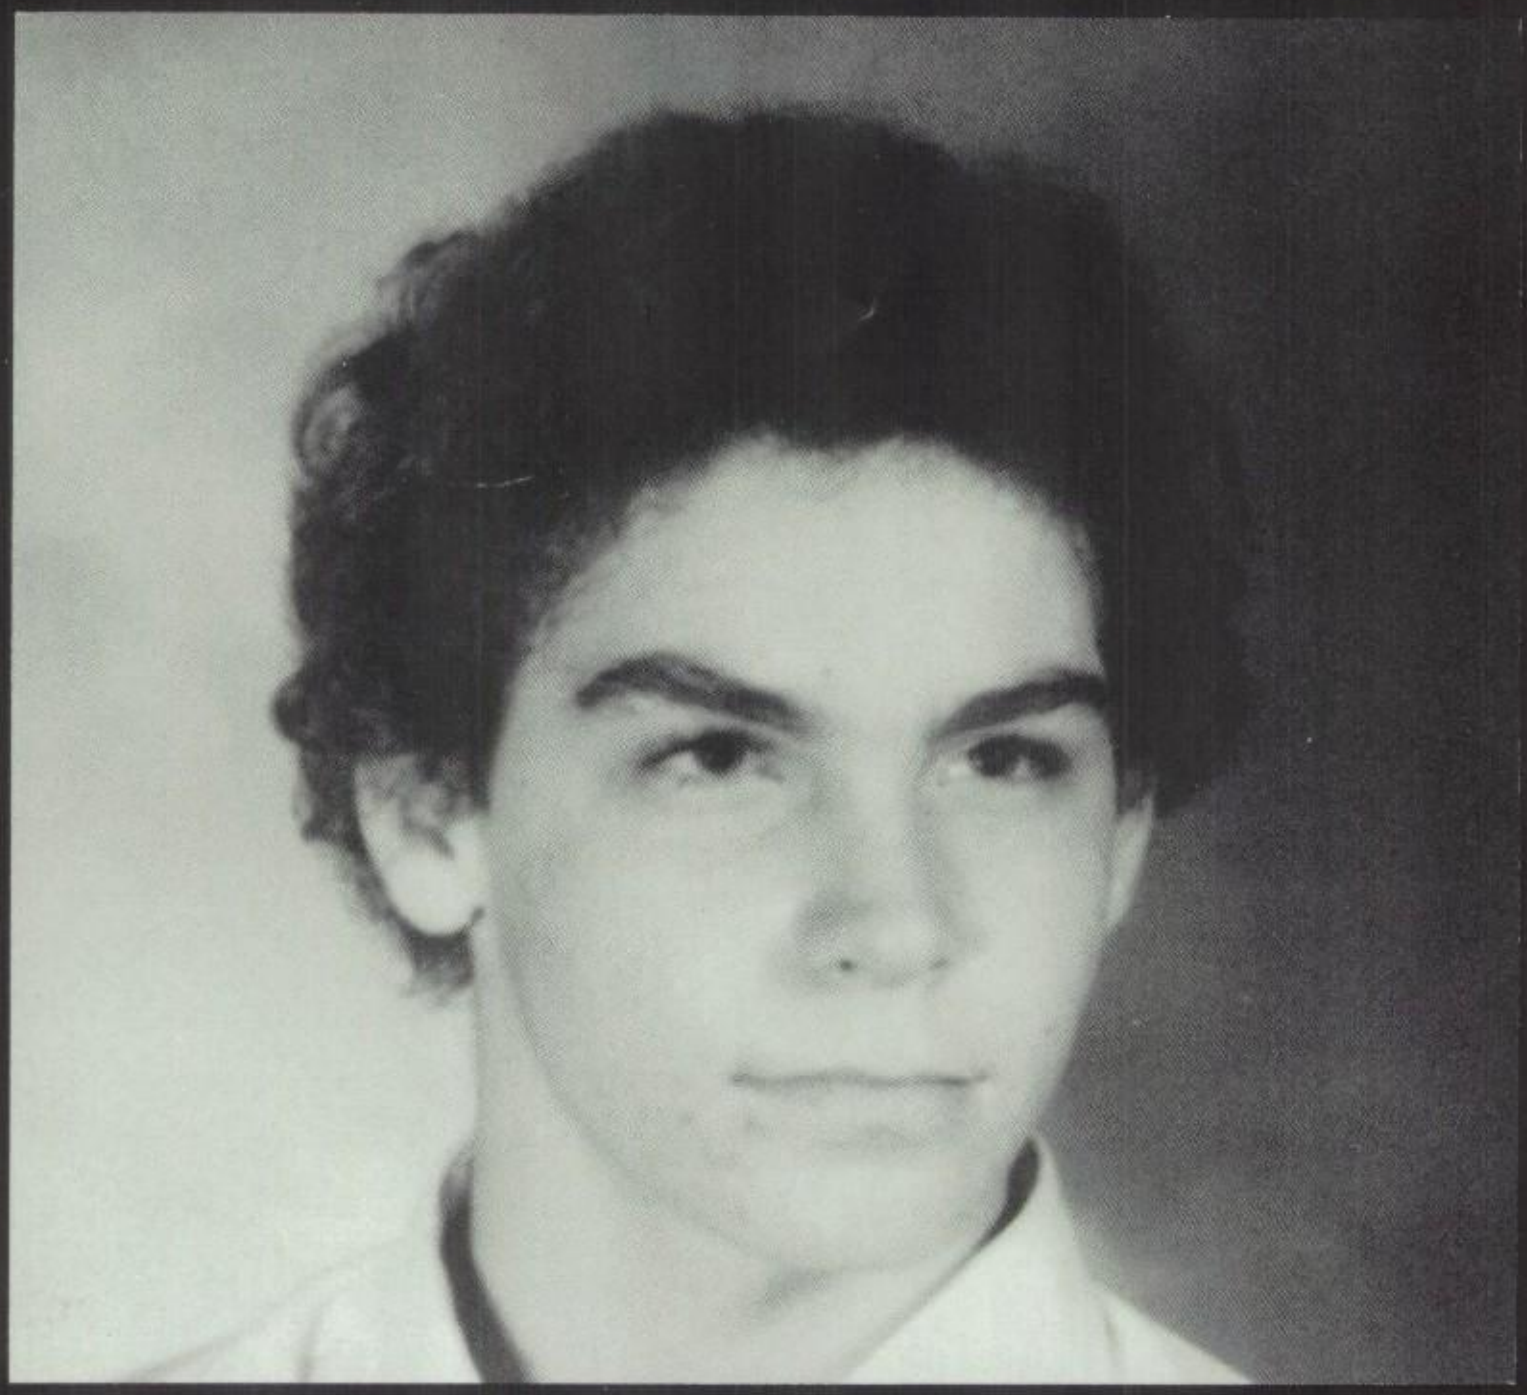




LOVIN EVERY MINUTE OF IT

CAUSE WE'RE THE CLASS
OF EIGHTY-SIX!

RICKY CAIN



FRIENDS

Friends are hard to come by,
Friends are hard to choose.
A real good friendship never dies,
Good friends you never lose.
Friends are not like autumn leaves
You find everywhere,
But friends are like diamonds—
Very precious and very rare.

We miss you Ricky, and we're looking
forward to your return.

FAVORITES IN "86"

SONGS

1. In The Air
2. That's What Friends Are For
3. Party All The Time
4. Secret Lovers
5. Lovin' Every Minute of It
6. Say You, Say Me

TEACHERS

1. Harper
2. Rogers
3. Mai
4. Curtis
5. Hicks
6. Frierson
7. Wade
8. Horn
9. Dixon
10. Sklopan

The Class of 1986
Is very unique indeed.
We're always on the top of things
We're always in the lead.

Sometimes we go out partying
Or to the beach just to lie around.
Just go where all the action is,
And that's where we'll be found.

Whether we are goofing off
Or listening to Mrs. Harper during school,
We always know just how to act;
We always play it cool.

When it comes to what we really like,
Stallone comes out on top.
Because Rocky and Rambo are the underdogs
Who never seem to stop.

But when it comes down to love and respect,
Our parents deserve the most.
And football is our favorite sport,
On our "SHARKS" we like to boast.

On the show "Miami Vice,"
Don Johnson catches the eye.
And when we hear the song "In The Air,"
Our cars just seem to fly.

The group Alabama is the best
Everyone should already know.
And if we ever want to laugh,
We turn on "The Cosby Show."

So now you know our favorite things
And all our top ten picks.
We are the "one in a million" class . . .
THE CLASS OF "86"!

Written by Leslie Frierson
Senior Class President

ARTISTS

1. Alabama
2. Wham!
3. The Cars
4. Lionel Richie
5. Hank Williams, Jr.

MR. & MISS ALBA

MICHAEL FOUTZ

PAULA THOMPSON

Michael is the son of Mr. and Mrs. Michael A. Foutz. He is active in the athletic program, having been on the varsity football team for four years and the baseball team for two years. His name has appeared on the "B" Honor Roll, and he recently placed in the Top Quartile. Michael was winner of two Who's Who categories, and is most deserving of the title of Mr. Alba High School.

Paula is the daughter of Mr. and Mrs. William Thompson. She, too, is active in sports, having been a feature player on the girls basketball and softball teams. A winner of Who's Who, Paula is also in the Top Quartile and has been on the "A" or "B" Honor Roll all through high school. We are proud to have Paula as Miss Alba High School.

ALMA MATER

Hail, O Hail to dear old Alba
Praises loud and clear
To our school and to each other,
Vows we hold so dear.

Faithful, loyal, kind and true
Our banners we hold so high
Alba, Alba, dear old Alba,
Your glory shall never die!

Mrs. Boots Seaman

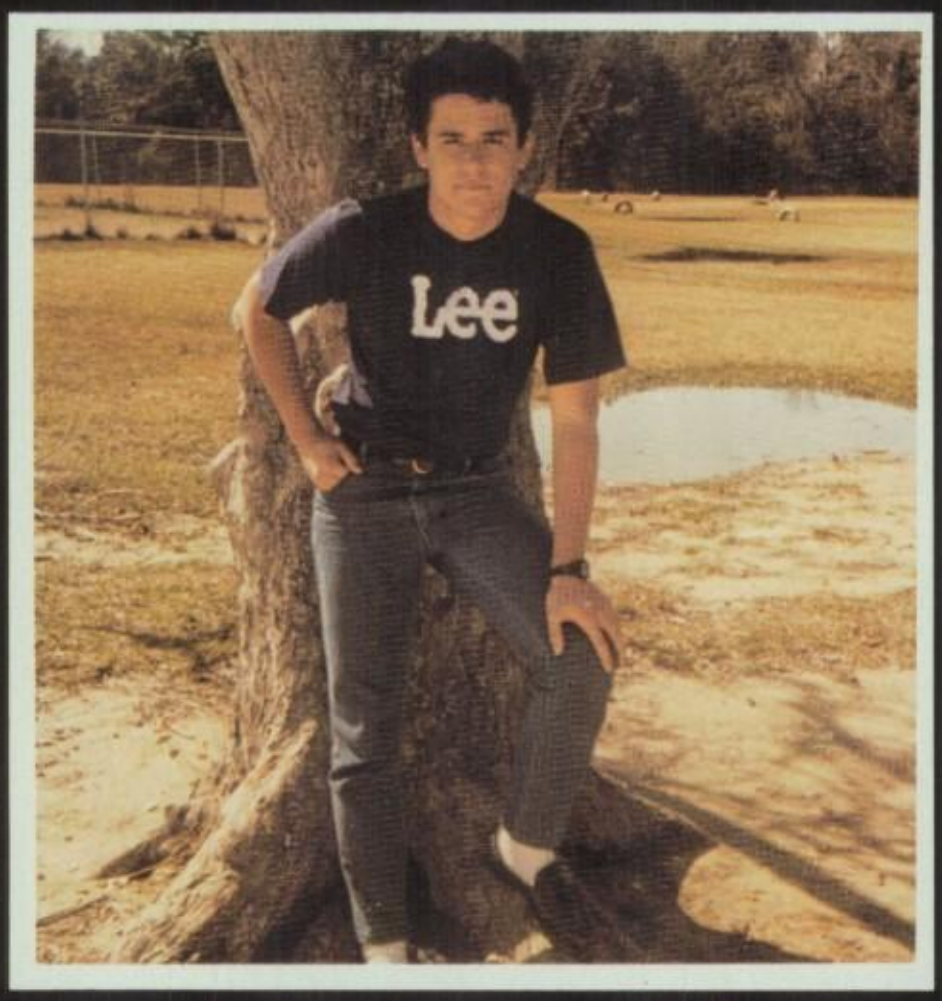
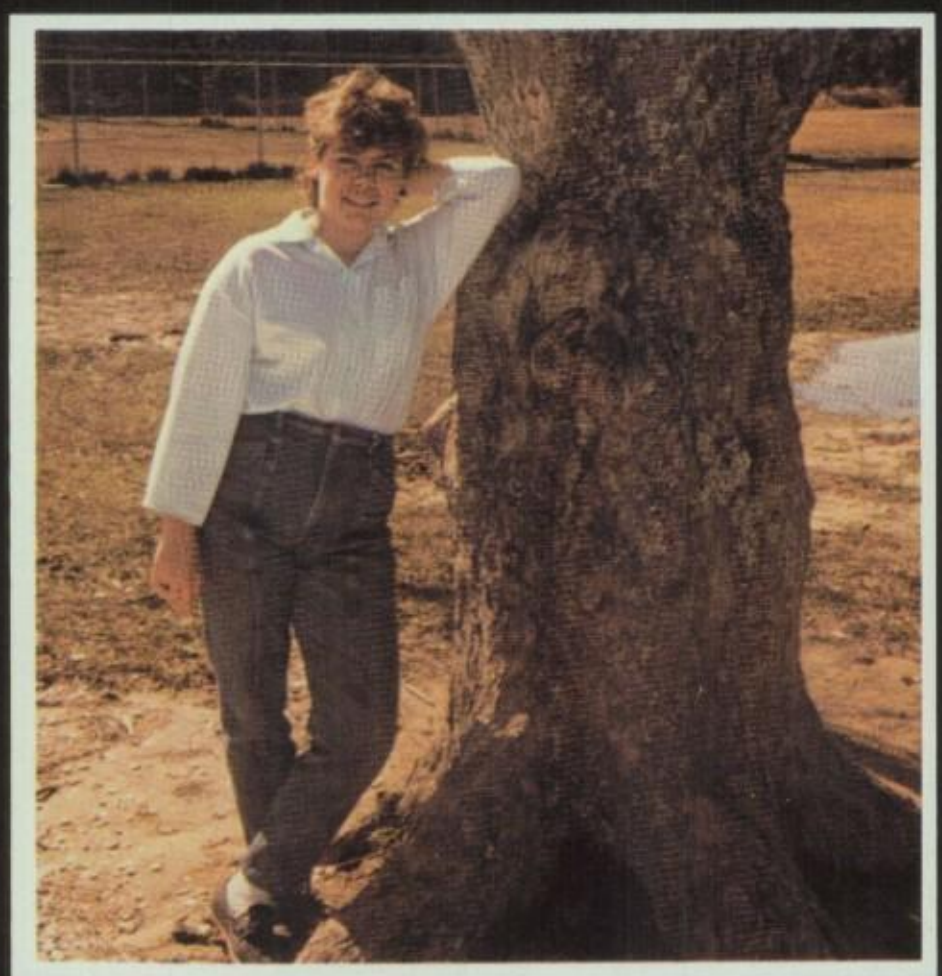
SENIORS OF '86

WE ARE

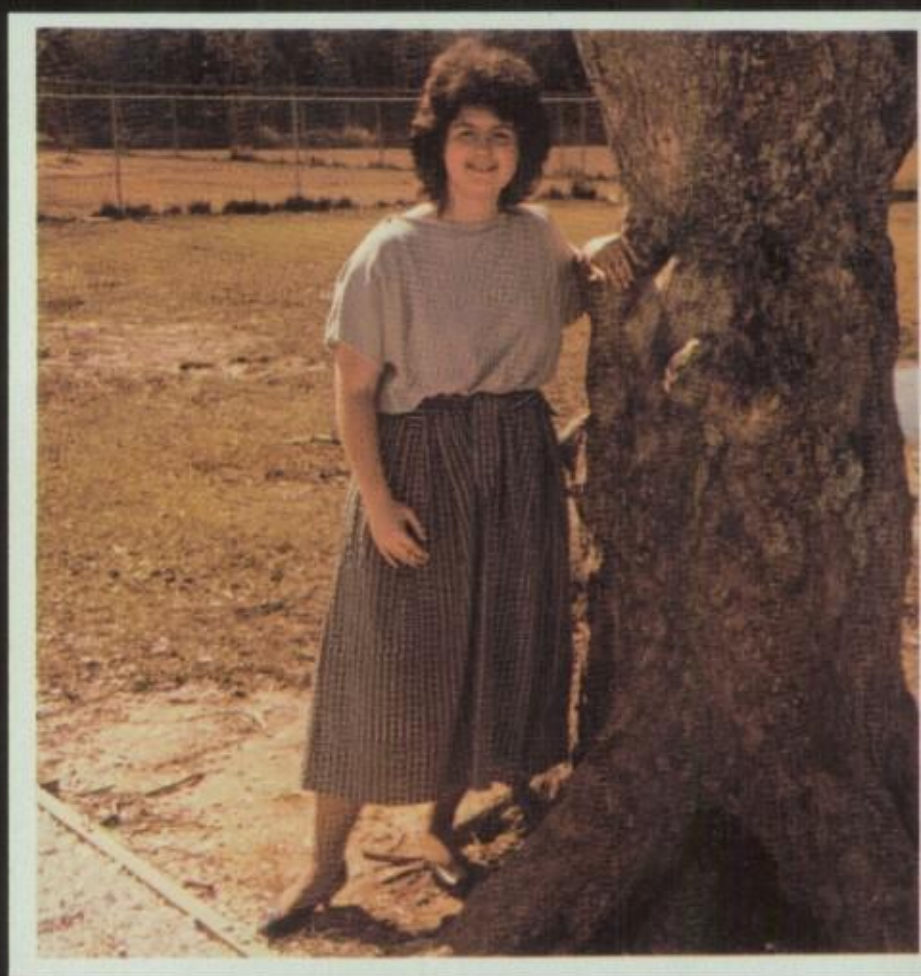


Rafael Bernandez
Spain

This is the first year in the history of our school that Alba has participated in the Student Exchange Program. Kathy Friedrich attended Newland High in Hull, England, where she represented Alba very well both academically and socially. In the year 1985-1986, Alba had the privilege



Eva Andersson
Sweden



Srdana Gajicic
West Germany

THE WORLD

of having five exchange students. They have all done very well and Alba is proud to have these students from different parts of the world. They are a very important part of our senior class and we love them all very much. We are happy to honor all of the exchange students involved in this program.

Kathy Friedrich

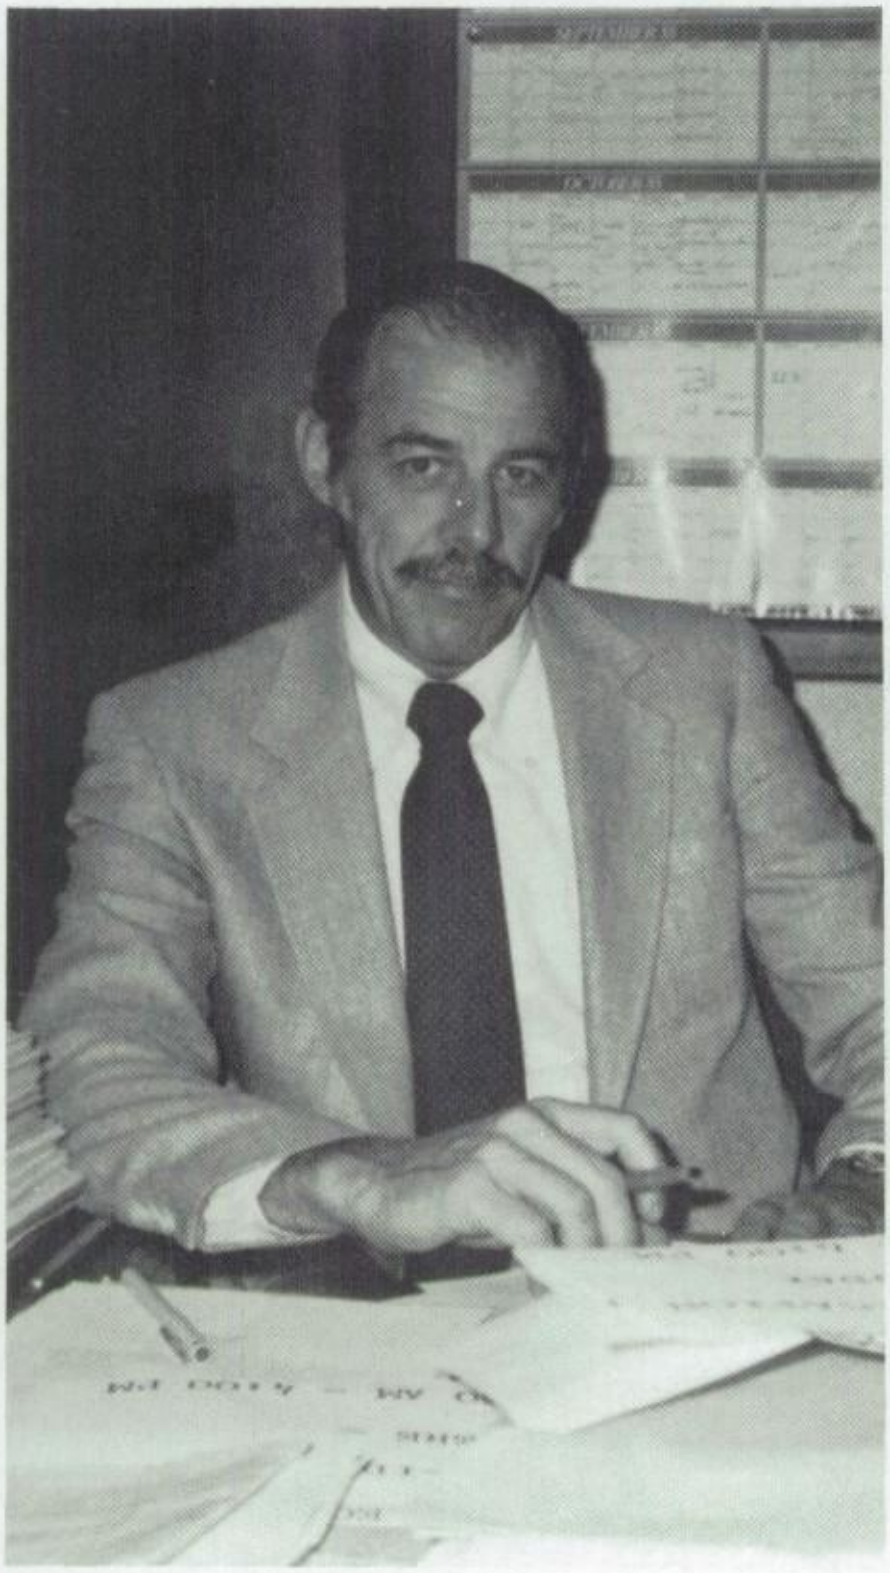
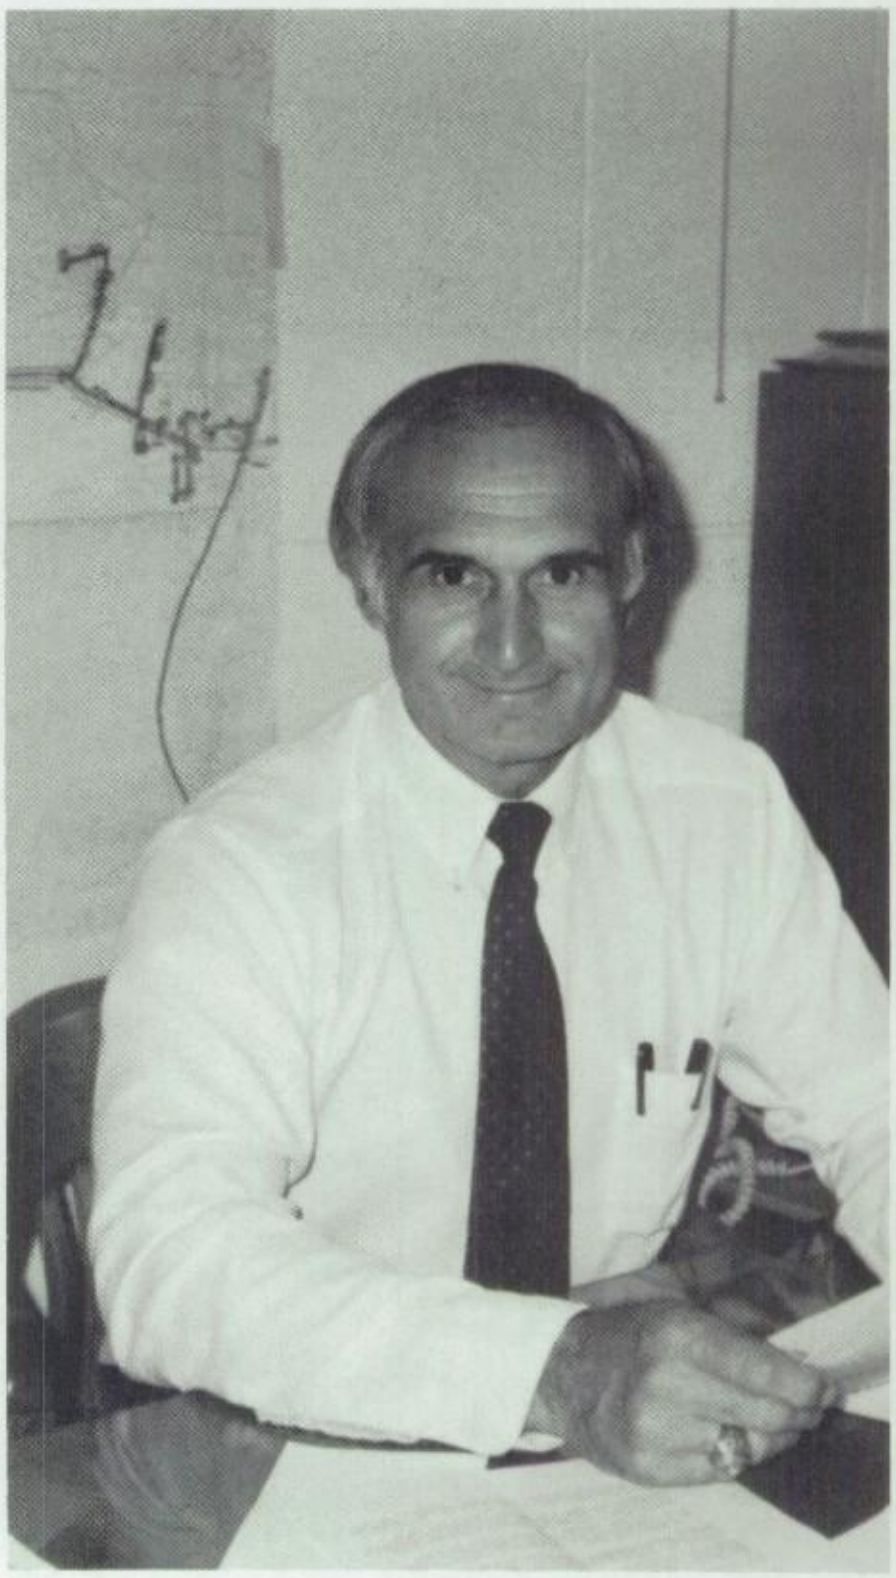
ADMINISTRATION



S. FRANK WOOD

Mr. S. Frank Wood has been principal at Alba for the past thirteen years. During this time, the school has experienced many beneficial changes. In 1980, Alba received a higher level of accreditation from the Southern Accreditation Association. Mr. Wood has also been instrumental in acquiring new computers for our students. He is a graduate of the University of Southern Mississippi, and has also studied at Claremont University and the University of Alabama.



JOHN SKLOPAN

Mr. John Sklopan has been assistant principal for seven years, and school spirit and discipline have improved during this time. Many people are unaware of Mr. Sklopan's pre-educational career, but it is a verified fact that he once played football for the Denver Broncos. After making his mark in sports history, Mr. Sklopan went into education full-time. He has a Masters Degree in Administration from the University of Southern Mississippi.

The Alba coaching staff did a great job in preparing the Sharks for a tremendous winning season. They all put the time and effort in that any coach would, and along with that came the pride reflected upon themselves and the team as a whole. The staff displayed the proper authority, which in turn caused players and fans to respect one another. They were faithful and loyal, right down to the last game. Each year, new players were added who had that potential Shark power. With the guidance and leadership of our coaches, this power was turned into a winning force.

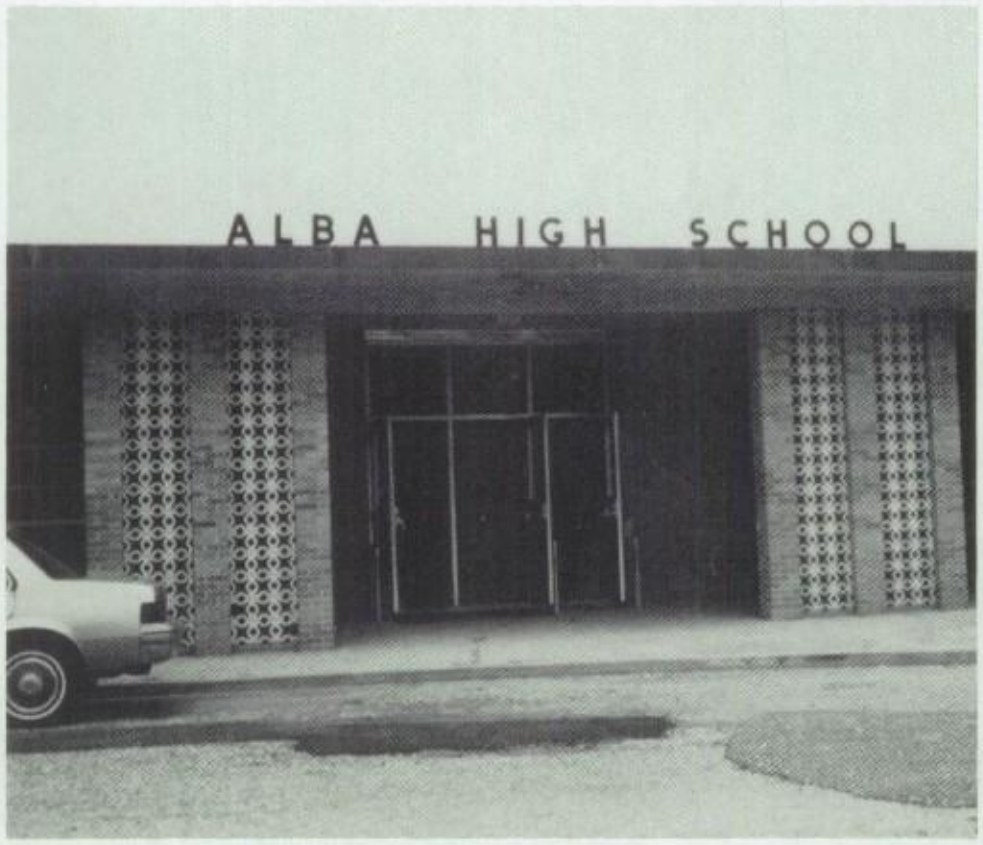
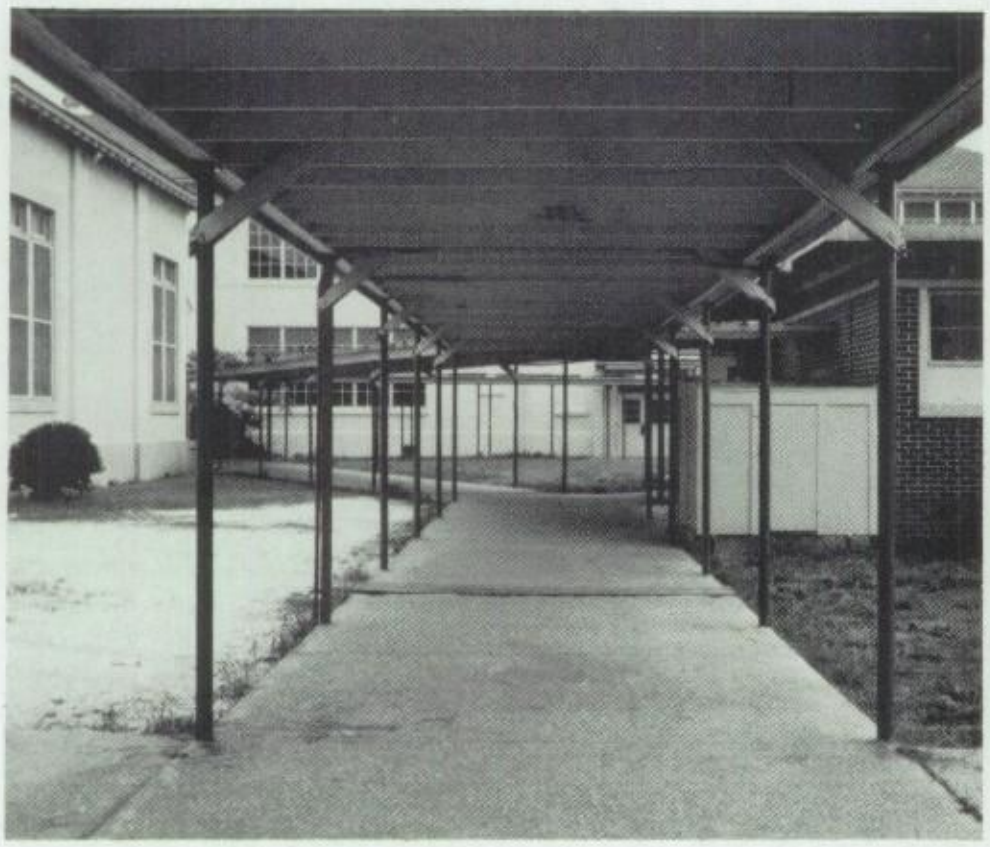
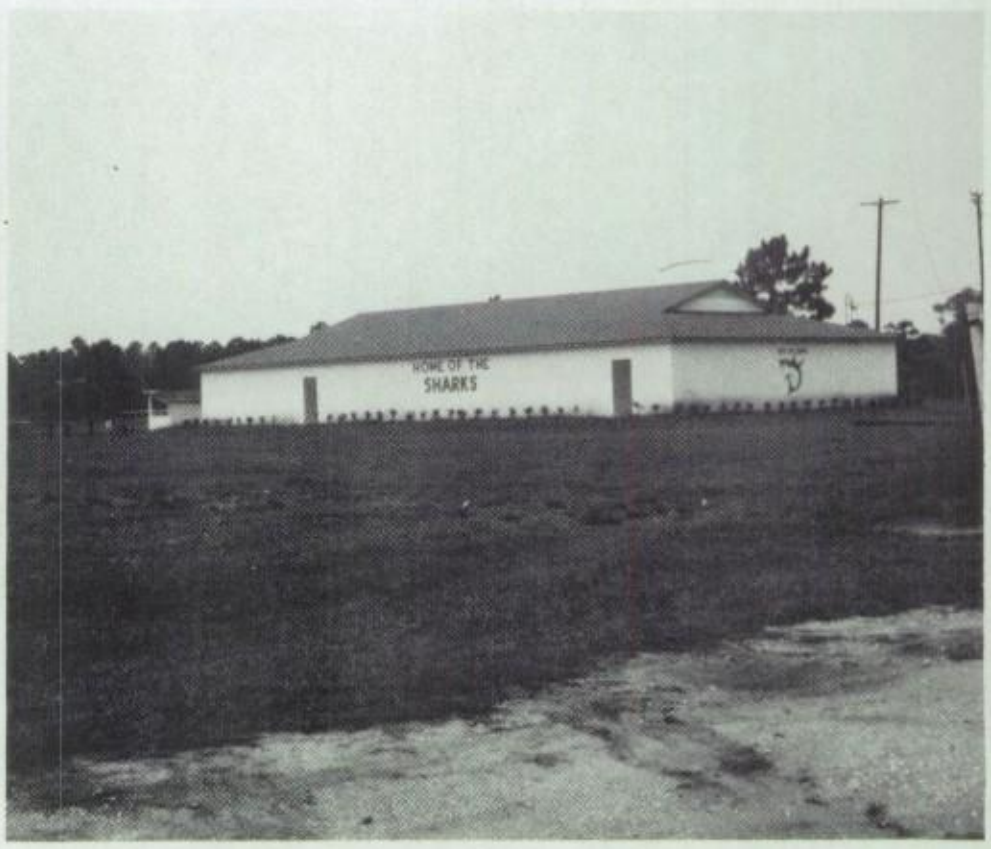
200 YEARS







In the year 1916, there were two schools serving the southern section of Mobile County. One was in Bayou La Batre; the other in Coden. For a number of years these schools were of adequate size, but at the advent of the shrimp canning factories the area grew so in population that the school system was forced to build a new school. Bayou La Batre and Coden schools were consolidated. Land was donated by Captain Peter F. Alba for this purpose and thus Alba's name and school orginated. The present elementary was begun in 1918. It was composed of two stucco one-story buildings of four rooms each. There were five elementary teachers and two high school teachers with a monthly enrollment of about two hundred and fifty pupils. In 1921 a small frame building was built in the rear to take care of the overflow of the lower grades and in 1923 the old school building was torn down and rebuilt behind the new one to take care of the rapidly increasing enrollment. Now the new school had increased its faculty to fifteen. But even these additions failed to meet the needs of the area, so in 1930 the two stucco buildings were joined together, another story added on each, and an auditorium built in the rear. Also an athletic field was added to the playground. Then the two frame buildings were vacated in favor of the new addition which was well-equipped, lighted and heated. This building housed eleven grades for a number of years. However, the area was still growing in population. In 1949 another building was added. This building contained nine classrooms and an office. The senior high school was very proud to move into this building in 1950. In 1962 still another building was added containing eleven classrooms and a library. An office, teachers lounge and counselors office was added to the building erected in 1949. Again the senior high moved into the new building and the junior high moved into the building vacated by the seniors. This left the two-story building to house kindergarten through grade five. Today, students from several different communities attend Alba, making it one of the largest consolidated schools in the Mobile County School System with an enrollment of over one thousand students.

OF PROGRESS

Anyone who has spent any time around Bayou La Batre has felt the touch of romanticism and its intimate association with nature's wrath and beauty. No words or well-turned-out phrases are sufficient to adequately appraise our town.

It is more than a town, more than a city, more than a community; it is a state of life that is unique to modern living. The name Bayou La Batre has changed twice, but the word Bayou has remained the same. It comes from the words "Mother Stream" and is better known as the "Big Bayou." The word Batre comes from a small battery that was located on the banks of the mother stream. The early settlers did not use the name Bayou La Batre, but used the name of Riviere D'Erbane. This name was used to commemorate a Frenchman who was drowned in the mother stream. The original settler was a Frenchman by the name of Joseph Bosarge, who in the year 1786 petitioned the Spanish governor of Louisiana for a tract of land on the west bank of the mother stream. Other settlers arrived and today their names are still used in this area. Included are Ladnier, Lami, Sprinkle, and Gollote. These names help make up our town of Bayou La Batre.

It's hard to believe . . . the 1985-86 school year has come and gone. We will never be able to relive the past events, but it is our hope that this yearbook contains pictures and memories that will last a lifetime. We, the staff and sponsor, are dedicated to making each book better than the last, for only improvement will give us the motivation to move forward. It has been a difficult year with many, many setbacks, but through these we have grown in maturity and knowledge.

The staff would like to thank the following non-journalism students for their contributions to the 1986 Shark:

Cover Script—Sabrina Graham
Cover Design—Al Wintzell
Special thanks to Miss Roberts'
7th-grade English Class for
their help at a "desperate" time!
